The two screenshots show a mobile app interface for a 'New Event' form. The left screenshot shows the form with the title 'Enter Event Details' and input fields for Name, Email, Event Name, Date, Time, Location, and Phone. The right screenshot shows the same form with the following data entered:

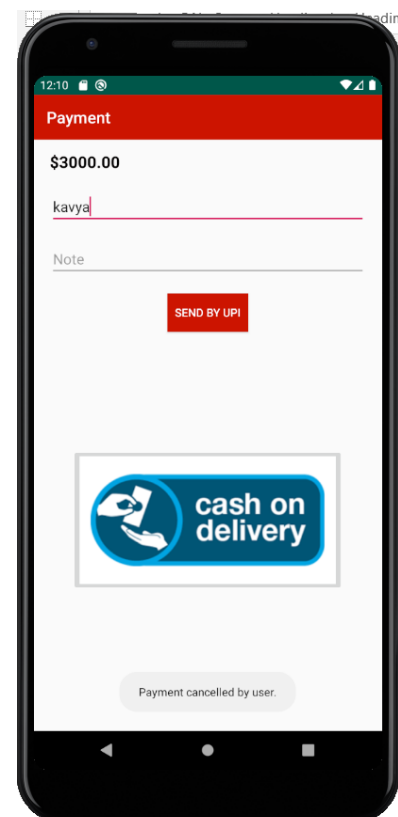

- Name: kavya
- Email: kavya@gmail.com
- Event Name: birthday
- Date: 2020/01/01
- Time: 11:00
- Location: hsr
- Phone: 1234567889

A red 'SUBMIT' button is visible at the bottom of the form in the right screenshot.
